A letter detailing how to book and when was emailed out to all parents on Monday 20th September. If you have any questions, please contact the school office.

REMINDER: SCHOOL LUNCHES

Please remember to pre-order your child's lunch by Wednesday for the following week.

WATER BOTTLES

Please remember to send your child to school each day with a fresh clean bottle of water. Fresh water helps children stay alert and focused throughout the day.

FREE SCHOOL MEALS

Your child may be entitled to FREE SCHOOL DINNERS.

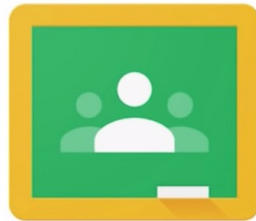

Please copy the link below to your web browser to apply and you will have an instant reply. If you are accepted for FREE SCHOOL MEALS, you will not need to do anything else, as soon as we are notified by Staffordshire County Council, we will apply this to your Parent Pay account and you will then order meals in the usual way. If you are accepted to the scheme, you may even receive food vouchers in the school holidays.

To apply, copy the following link <https://apps2.staffordshire.gov.uk/web/fsmweb/>

GOOGLE CLASSROOM

If your child is unwell and cannot attend school, they can access school work through Google Classroom. Please contact the school office if you have any queries.

YEARS 3, 4, 5 AND 6 ONLY

If your child is bringing a packed lunch to school, please make sure it is in a plastic box and not a canvas style cool bag. All items are sanitised so they must be a plastic box. We find it difficult and time consuming to clean the bags to our high standards.

Plastic boxes can be bought from Poundland or re-use an empty ice cream tub or sweet tub.

SPORTS DAYS

Although it has been a little bit different to other years, this week the children have taken part in sports day on their usual PE day. All of the children have demonstrated how good they are at being part of a team and how supportive they are of each other. It has been a brilliant week of sporting activities here at Longwood. Lots of pictures can be found on our school Facebook page.

YEAR 6

Year 6 have had great fun this week discovering how to create electrical circuits in Science.
