

Seren's Seasons

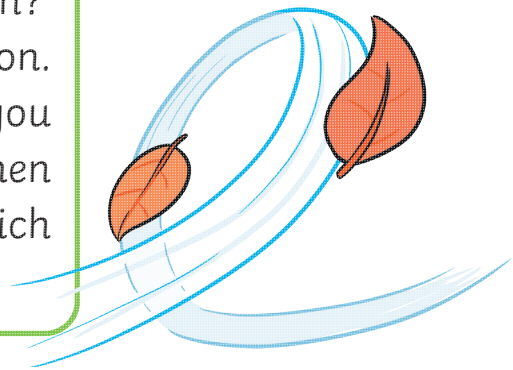

Home Learning Challenges

Seren sees lots of changes throughout the year. Go out for a walk and have a look at the world around you. Do you know which season it is now? How do you know? What can you see, hear, touch and smell?

At the end of the story, Seren made her snowgirl. Ask a grown-up to draw around your body on a big piece of paper or with some chalk on the floor. You could use some natural objects like shells, leaves or conkers to add your eyes, nose and mouth. You could take a picture to share with your friends at nursery. We would love to see your creations!

Do you know the name of each season? Think about what happens in each season. Your grown-up might be able to show you photographs of you from each season when you were younger. Can you spot which season is which?

Each season, Seren's nain gave her different clothes to wear. Do you have different clothes to wear for each season? You could practise putting wellies on and off, fastening your coat or putting sun cream on. You could ask a grown-up to time you to see if you can do it really quickly.
