

Longwood Lingo

Nurture today—Flourish tomorrow

Welcome back

Welcome back to everyone, we hope you all had a wonderful half term break and are raring to go for another fantastic half term.

Throughout half term, we have been asked what will happen if a bubble has to close. If this has to happen, we will switch to delivering remote learning via Google Classroom.

Pupils and Parents will be able to communicate directly, however, this is not like WhatsApp so you may not always get an immediate response. Further detailed information is being sent out to each class.

Government guidance still advises us to keep classrooms as well ventilated as possible, we are already doing this but as the weather becomes colder it may be safer and more practical to wear more clothes to school. Please ensure your child wears a top layer of school coloured jumper, cardigan or fleece at all times. You may also want to consider a base layer of vest, thermals or t-shirt. The heating will be on to warm the building before school starts, however the requirement for constant ventilation of school will compromise the effectiveness of the heating.

Please also ensure your child comes to school with a suitable warm winter coat.

As soon as the Government issue any further guidance we will communicate this to you.

If you have any queries, please do not hesitate to contact the school office via email office@longwood.staffs.sch.uk or 01827 213970.

Little Oaks Parents/Carers

Please ensure you child has outdoor clothes, wellies, gloves, hat and scarf as the children will be going outside and the garden is beginning to get muddy.
